

A Full-Circle Moment

The READY Life reached a national stage!

ISSUE 03 • SEPTEMBER 15, 2026

I recently taped an episode of the nationally syndicated [Portia show](#), which aired September 14, sharing my story and how I manifested dreams that once existed only as a vision.

What makes this moment even more powerful is the story behind it. Six years ago, another television opportunity planted a seed I didn't yet understand.

THE MINDSET

Coffee with Crystal : Full Circle

Six years ago, I thought I was getting a glimpse of where my story was going. I had no idea how long it would take to understand what that moment really meant.

I was tapped for a talk show alongside two amazing women. We shopped it, but ultimately walked away rather than compromise who we were or what we were building.

Six years later, I finally met Kathy the Executive Producer of the show we walked away from in person for the first time as I prepared to walk onto the set of the nationally syndicated Portia show. Full circle.

Maybe that door six years ago wasn't the destination. Maybe it was confirmation that the vision was real

READY REFLECTION
