

The READY Life

BUILD ON PURPOSE

with *Crystal L. Jackson*

The READY Life is stepping into a new conversation.

We've been talking about mindset, strategy, purpose, and building on purpose and soon, we'll be taking that conversation somewhere new.

Stay READY. You'll want to see this.

THE MINDSET

Coffee with Crystal : Can You Imagine?

What if the teacher never taught, the social worker never served, the pastor never preached, or the doctor never treated?

Now imagine what could be missing because you haven't chosen to fully walk in your gift.

Sometimes we're waiting for an opportunity, confirmation, or breakthrough; when the next move is actually ours to make.

Watch [Coffee with Crystal](#) and remember **your breakthrough may be waiting on your decision.**

READY REFLECTION

What have I been waiting on that may actually be waiting on me to choose?

THE STRATEGY | Decide.Declare.Do

Put your choice in motion.

1. **DECIDE:** What are you choosing?
2. **DECLARE:** What will you commit to?
3. **DO:** What will you do next?

THE WEALTH | READY Lending Solutions

Buying a home should help you build wealth; not leave you broke after closing.

The READY to Buy Framework™: Pay Yourself First reminds buyers to plan for more than a down payment:

Before you buy, think about four buckets:

Emergency Fund • Down Payment • Closing Costs • Maintenance

The goal isn't just to get the keys. It's to be **financially READY to keep the keys.**
